Carl,

Gary talked with TDH and they will be participating at the May 25th meeting. We will follow up with ATSDR to close the loop on the email that was sent to Sam.

Also, as an FYI, here is a history of TDH involvement at the San Jacinto site. They have attended all of the previous San Jacinto meetings. CAS

Sam also brought up San Jacinto at senior staff this morning....wanted to know when we will talk with ATSDR and TDH, when the public meeting will happen (we said target was May 25).
